TO: All Area News Directors/Interested Parties

FROM: Minnehaha County Highway Department

SUBJECT: For Immediate Release: Temporary Bridge/Road Closure

#### Press Release

Beginning on Monday, November 28, 2016, the Minnehaha County Highway Department will begin a short duration bridge improvement project on County Highway 103 (487<sup>th</sup> Avenue) approximately 0.4 mile north of County Highway 120 (253<sup>rd</sup> Street). The highway will be closed at the structure and traffic will need to use an alternate route for approximately 1 week. The work is being completed in lieu of posting the bridge for reduced load limits.

Motorists travelling in that area are advised to use caution and plan on an alternate route. The repairs are anticipated to be complete and the road re-opened by the close of business on Monday, December 5, 2016.
