RE: For Immediate Release: Sioux Empire Homeless Coalition to host its final forum

Press Release

The Sioux Empire Homeless Coalition will host their final forum on Thursday, January 16, 2020 from 11:45-1:00 at the Siouxland Health & Human Services building at 521 N. Main Ave. Please join us to celebrate the 25-year existence of the Sioux Empire Homeless Coalition as it will be dissolving after this final forum.

The Helpline Center has created a Non-Profit Exchange that will provide an opportunity for non-profits to network and learn from each other that members of the Sioux Empire Homeless Coalition will be welcome to attend. The Non-Profit Exchange is a monthly educational meeting designed for non-profits to hear from other non-profits; providing an opportunity to learn about other programs, exchange ideas, and network with each other.
